Dear Ms. Yau,

Sharing the Outstanding Achievements of Your Alumni

I am delighted to share with you the good news that the following alumni of your school, each of whom studied with us at Kwun Tong Maryknoll College for six years, achieved remarkable results in the 2026 Hong Kong Diploma of Secondary Education Examination (HKDSE) and have been admitted to the programmes listed below, commencing their university studies in September 2026:

- **GUAN Huiyang** — Bachelor of Science in Surveying, the University of Hong Kong
- **HUI Fong Kwan** — BSc Cybersecurity, the City University of Hong Kong

Their success reflects their perseverance and commitment, the support of their families, and the dedicated guidance they received throughout their schooling. We are particularly grateful for the strong foundation and nurturing provided by your school, which we were privileged to build upon during their six years with us.

We are delighted to share this good news with you and your school community, and hope that their achievements will also serve as an encouragement to your current students.

Thank you once again for the important role your school has played in their growth and development. We look forward to maintaining our close connection with your school and to welcoming more of your graduates to our school in the years ahead.

Yours sincerely,

Ms Caroline Sin Nga Lam
Principal
